

Botswana bids for anti-money laundering academy

By Business Reporter

Government has formally submitted a bid to host a regional anti-money laundering training academy, positioning Gaborone as a financial compliance hub for the sub-region. Officials said the academy would train investigators from across the SADC region in tracing illicit financial flows.

INVITATION TO TENDER

Sealed bids are invited for the supply and delivery of office furniture to BOCRA regional offices. Closing date for submissions is 30 June 2026.
